Description

We love the texture and unique colour that we achieve when we blend pumpkin & pepito seeds with green jalapeno chillies. The Chilli is subtle, with a superb flavour. This is a nut-free pesto that tastes amazing and can be used in all of the ways a pesto identifies with. Tastes sensational tossed through fresh cooked pasta, a highlight on any nibble platter, bruschetta or can be used as a dip.

This is gluten free, dairy free and contains no artificial additives. This product contains no tree nuts, ideal people with nut allergies.
